15. ADDITIONAL QUALITY REQUIREMENTS OF THE TEMPORARY STAFF

In addition to the requirements outlined above, the State expects temporary employees to meet minimum standards with respect to the following quality criteria:

a) Legal and Professional Conduct

Temporary employees will conduct themselves in a professional manner. Individual temporary employment candidates, based on position, may be subject to criminal checks, fingerprinting, and background checks upon whose results the State may choose to base its decision to accept an individual for an assignment. These services are the duty of the vendor and will be performed free of charge.

b) Cordiality, Punctuality and Responsibility

Temporary employees must make every effort possible to be on time for work. Being late; either two days in a row or four times in two weeks, will trigger a penalty, payable by the vendor, to be mutually agreed upon. Temporary employees who call the State to cancel less than one business day in advance are responsible for alerting the vendor to find a replacement with comparable skills/fit for their specific position. The vendor must then provide the State with a suitable replacement or give at least four hours notice that a replacement cannot be found.

Temporary employees must be respectful of other State employees with whom they interact with. The State reserves the right to reject any candidate that does not exhibit common courtesy and cordiality towards other State employees or representatives of the state.

c) **Drug and Alcohol Use**

No temporary employee for the State may use illegal drugs, nor may any temporary employee consume alcohol at work or at such times that the temporary employee's work is negatively affected. Indications of such use may result in immediate termination and no acceptance for further assignments.

d) **Dress Code**

Dress Code must be followed in guidelines with the agency issuing the service order. Where an I.D. badge is required, the badge **MUST** be turned in at the end of the assignment. The successful bidder will be held accountable for the return of the badge and financially responsible for the costs incurred for card replacement.

16. RESPONSE TIME

The vendor in each category will be given a reasonable time as determined by the agency to fill a job order from the date of its placement. In the event that the vendor cannot fill the job order within a reasonable time as determined by the requesting agency, the requesting agency reserves the right to cancel the order and place it with another vendor. It is the State's intention, in all cases where possible and regardless of the size of the order, to provide timely and reasonable notice to the vendor concerning orders placed with them.

In an emergency situation where the requirement to fill a job is less than the normal response time and the vendor cannot fill the order, the requesting agency can cancel the order and place it with another vendor.

17. OVERTIME

All overtime work must be approved by the State-appointed supervisor.

18. SKILLS/BACKGROUND VERIFICATION

The vendor is responsible to assure only qualified personnel are utilized, and that the background of personnel employed, warrants employment in any State facility. This will include the completion of mandatory background checks including criminal background checks on all applicants prior to filling any State of Delaware position. Upon request of the State agency, the vendor must furnish related test scores/resumes and proof of background check of temporary personnel who are scheduled for interviews upon request of the State. All costs associated with skills and background verification are to be paid by the vendor.

19. EQUALITY OF EMPLOYMENT OPPORTUNITY ON PUBLIC WORKS

During the performance of any contract for public works financed in whole or in part by appropriation of the State of Delaware, the contractor agrees as follows:

- a) The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, age, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated equally during employment without regard to their race, creed, color, sex, age, or national origin. Such action shall include, but not be limited to the following: advertising, lay-off or termination, rates of pay or other forms of compensation and selection for training including apprenticeships. The contractor agrees to post in conspicuous places, notices to be provided by the contracting agency setting forth the provisions of this non-discrimination clause.
- b) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, sex, age, or national origin.

20. STATE EMPLOYMENT OF TEMPORARY PERSONNEL

Vendor will waive any separation fee provided an employee works for both the vendor & hiring agency, continuously, for a 3 month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second (2) month if it is the State's intention to hire.

21. FRAUDULENT OR OVER-REPORTING OF HOURS WORKED

The State will hold the contracted vendor(s) liable for fraudulent or over-reporting of hours worked.

22. TIMESHEET

The vendor(s) shall use a standardized time sheet for billing and reporting purposes.

23. TEMPORARY PERSONNEL LENGTH OF EMPLOYMENT

The primary purpose of this contract is for vendor(s) to provide qualified employees to fill State positions on a temporary basis. At the same time, this contract cannot dictate whether the agency requires a temporary employee for two weeks, or six months. However, in order to meet agency operational requirements and at the same time, promote maximum competition and business among potential and qualified vendors, the agency should not retain any one employee for more than one year. Agencies should develop internal procedures to support this initiative.

24. USE OF STATE VEHICLES

Some agencies have requested authorization from Fleet Services and the Insurance Coverage Office to allow Temporary Employees to operate State vehicles. The awarded vendors are not consulted during this process and the process does not relieve the awarded vendor of any potential liability. Only one position on the current contract specifically mentions the employee may be required to operate a variety of State vehicles. Because the use of State vehicles may not be limited to only the Equipment Operator position we asked the vendors how they want their placed employees handled.

DELARF and Delmarva Temporary Staffing, Inc. are the **only** awarded agencies who have agreed to permit their employees to operate State vehicles. Temporary Employees placed by any other awarded vendor **are not** permitted to operate State vehicles.

25. NON-CONTRACT POSITIONS

Vendors are not authorized to fill positions that are not covered under the Temporary Employment Contract. It is the requesting agencies responsibility to notify the Government Support Services Temporary Employment Services Contract Officer, Courtney McCarty, of positions that need to be added. For positions not listed under the Classifications and Compensation list, the requesting agency's HR department is responsible for submitting the job duties for review prior to the position being added to the contract.

Positions will be added using only approved job descriptions.
